Middle School Dance Contract

By signing this contract:

- I promise to abide by the rules of the school. I will not leave the area of the dance except for the use of the bathroom.
- I understand that once I have entered the dance, I will not be able to leave until my parent arrives at the end of the dance.
- All parents are to come into the dance to physically pick up their student(s). Students will never be allowed to leave and be picked up outside the dance venue, unless an administrator is contacted prior to the day of the dance.
- I understand that if I fail to abide by this contract, it will result in a phone call home and dismissal from the dance.
