

Welcome to L.A.S.E.R.

We are thrilled to serve the families at Monument Academy. We provide a before-and-after-school program that keeps your school-age child motivated and focused in a fun and stimulating environment. We have the resources to help them with Shurley Grammer, Riggs and Saxon Math. They get to spend time with friends, learn social skills and enjoy activities that are relevant to school-age interests.

Our program also provides a fun-filled (and educational!) offering during holidays, teacher in-service days and other school breaks.

We also promise to do our best to deliver a program that upholds the core values of Monument Academy in a positive environment of safety, support, and care.

We look forward to serving your family.

Sincerely,

Carol Suder
Director
