

## PROGRAMS

Classes available for ages 6 months – adults\*

- Small student to teacher ratios, 4:1 group lessons.
- Semi-private and private lessons available.
- Adult lessons available at a 4:1 ratio.
- Monthly lessons are held once a week for 30 minutes.

## Facilities & Staff

- Warm Water heated to 84 degrees and 92 degrees (Bass Pro facility).
- Pools are purified through an ultra-violet filtration system.\*\*
- Dedicated & professional staff highly trained in the SafeSplash curriculum with an expertise in working with children.

Learning to swim at SafeSplash is fun and successful when you make it a consistent part of your child's weekly routine.

For more information on tuition and hours of operation, please visit our web site at [www.safesplash.com](http://www.safesplash.com).

*\*Availability varies by location.*

*\*\*Varies by location for the ultra-violet filtration system.*
