

Packing List

To help prepare your student for the time at Camp Shady Brook, we have provided a packing list that outlines the items needed for a comfortable and safe outdoor education experience. Please label these items to help them return home again. We highly encourage students to leave electronics at home to have the true outdoor education experience!

If you need to get a message to your child in the case of an emergency, you may call **303-647-2313**. Cell coverage is spotty at best, but there are several land lines for use if needed.

Packing Pointers:

Camp Shady Brook is a rustic and adventurous place so please bring with you old clothing and items that are suitable for the outdoors and that might get ruined.

Luggage should be compact and easy to carry so you can get it to your cabin with ease

Label your items! Check lost and found before you depart camp.

Suggested Packing List:

- Back pack or day pack with water bottle
- Raincoat/Poncho (Inexpensive types can be found in camping section at Wal-Mart)
