**WATCH D.O.G.S. (Dads of Great Students)** - Engage men, inspire children, reduce bullying and enhance the educational environment at your school. WATCH D.O.G.S. - Is the father involvement initiative of the National Center for Fathering that organizes fathers and father figures in order to provide positive male role models for the students and to enhance school security. Today, more than 2276 active programs in 41 states participate in the WATCH D.O.G.S. Program.

The **WATCH D.O.G.S** program is a fantastic opportunity to enrich the students’ school day through active involvement by fathers, grandfathers, uncles, youth pastors, preachers, and other father figures - one day at a time through the whole school year. Come spend a day or 2 and be there with your student, his or her class, and many other students, it will be a day you will remember and your kid will remember for a long time.

Watch DOG volunteers perform a variety of tasks during their volunteer day including the monitoring of the school entrance, assisting with unloading and loading of buses and cars, monitoring the lunch room, or helping in the classroom with a teacher’s guidance by working with small groups of students.
