

We are excited to welcome you to the 2020-2021 academic year!

To kick off this school year, we will be hosting our annual 'Meet and Greet;' however, it will be different than in the past. Safety is our top priority, so we will conduct a "Drive-Thru" Meet and Greet.

On your scheduled day (listed below), you will bring your student(s) to the Elementary School West Campus with all their school supplies in your trunk, drive through the carpool lane, and meet their teacher(s). Teachers will have the opportunity to meet you and collect supplies, which will be taken to their respective classrooms. If you ordered an *EduKit*, those will be delivered to your child's classroom, so you will just drive through to meet your student(s) teacher(s).

For the process to be successful, here is how it will work:

- ~ Enter the church parking lot and drive down the carpool lane to the curb.
- ~ First stop: drop off general supplies (i.e. Kleenex, paper, etc.) by the Gym Entrance. Please have these items in your trunk separate from other 'desk' supplies. MA Staff will take the items from your trunk & put them in grade-level bins. **Please remain in your car at all times**.
- ~ Pull forward to meet your teacher. To keep the process moving along, please write your teacher's name on a sign & place it so it is visible from your windshield. This will help teachers know which cars they need to visit. Have all desk supplies in a bag in your trunk labeled with your student's first and last name as well as their teacher's name. The teacher will remove the supplies from your trunk. Again, **please remain in your car at all times**

The 'Meet and Greet' schedule is as follows:

Thursday, August 27, 8:00-11:00 a.m.: Kindergarten, 2nd, and 4th grades.

Friday, August 28, 8:00-11:00 a.m.: 1st, 3rd, and 5th grades.

It is important to note that parents will <u>not</u> be allowed to walk their student(s) to class on the first day of school. If you are unable to attend the 'Meet and Greet,' your student(s) will be responsible for bringing their supplies on the first day of school.

We look forward to a great year!

Mr. R and Ms. Barrette

## **COVID-19 GUIDANCE**

# Can I go to school today? At-home symptom screening for parents and staff

Parents and guardians can use these symptom checklists to determine when to keep their child at home based on the level of COVID-19 transmission in their community (e.g. Is the community in Protect Your Neighbor or Safer at Home or Stay at Home). School staff can also use this tool to determine if they need to stay at home. **Any** student or staff diagnosed with COVID-19 or who is a close contact of a COVID-19 case should not go to school and should isolate or quarantine according to public health recommendations.

These lists refer only to new symptoms or a change in usual symptoms. A student/ staff should not be kept home\_ for usual symptoms they experience due to a chronic condition unless they are worse than usual. These guidelines are in addition to your regular school guidance (for example, a child with vomiting should also not attend school based on usual school guidance).

If your child is/you are experiencing any potentially life-threatening symptoms, please call 911.
