Health Team

The health team is incredibly grateful for all our MA families and the partnership we have during this extremely challenging time. We want to thank you for your understanding, cooperation, and patience as we navigate the health guidelines set before us. We are also thankful for your commitment to keep our students in school as we balance the concern for the health of our staff and students. As we look forward to our return, please remember to keep your child home from school if there is any question that they may have been in contact or exposed to *COVID* during the break. In addition, please keep them home if they are experiencing any *COVID*-like symptoms. We hope and pray for the health and safety of all our Monument Academy families.

Have a blessed Thanksgiving!
