End-of-Year iPad Check-In

This year, 6th-9th grade in-person students will be turning in their school-issued iPads during the last week of school. Please make sure your student completes the following tasks to prepare for iPad Check-in:

- Update the iPad to the most recent version: 14.5.x
- Bring the iPad fully charged.
- Take everything out of the iPad case, including your iLicense.
- Remove any stickers from the iPad, case, charger, and cord.
- Put the iPad back in the school-issued case.
- Clear passcode from the iPad
- Delete all messages out of your Canvas inbox.
- Back up any photos or files that you may want to your Google Drive.
- Be prepared to turn in your school-issued iPad, case, Apple-branded charger, and Apple cord during the last week of school.

If your student will be ending the school year early, there is a form in the office that your student will need to get and have signed by their teachers and the Ms. Ross.

We want all of our at-home learners to be able to participate in the end-of-year activities and learning, so we will hold two check-in sessions after the last day of school. At-home learners may complete iPad Check-in on Friday, May 28th between 1pm and 3pm or Saturday, May 29th between 9am and 11am in the East Campus foyer.

Thank you!

Athletics

The CCAL Football team was finally able to start playing again as other teams have come off quarantines. On Friday, the team hosted CSCS on a nice night at the beautiful new facility at James Irwin. The game was very competitive from the start, and at the half the team was trailing by a score of 8 to 6. The Cheer team performed a spirited show at the half for the crowd with a great sound system to support their routine. The second half was just as competitive as each team scored only once more. Our team suffered some key injuries late in the game, and in the end a missed extra point and some missed opportunities were the difference in the game as the team fell by a final score of 14 to 12. Because of the compressed schedule the team was back in action on a rain-soaked field against Banning Lewis on Tuesday. Already down a couple of key players, the team suffered a couple more injuries early in the game which really thinned our depth. Other players were shuffled around and given new opportunities to play against a very strong Stallions team. There were some excellent individual efforts, and everyone on the team gave their best, but on this day, we were just outmatched, and the team fell by a score of 24 to 0. We are hoping to get some of our injured players back, and we'll have a little practice time to better prepare the kids that were thrown into unfamiliar roles for our final game against RMCA this Friday. Good luck everyone!

The Matchwits team finished their season with a very strong performance that was tops for the last round and launched them into second place overall on the season! We would like to congratulate Coach Wise and our small group of “brainletes” on a strong effort this season!

The CCAL Track & Field team had a very busy week competing at the Limon Invitational, the Peyton Invitational, and at our CCAL meet at Vanguard. There were varied absences from both Invitationals, but out of 21 teams at Limon the boys finished 3rd and the girls placed 5th. At the Peyton Invitational there were 15 teams, and our girls finished 2nd with our boys finishing 6th. At our CCAL meet at Vanguard both our boys' and girls' teams won! There are only two meets left, and our chances for CCAL team championships look good if we have all our competitors available for our meets the next two Saturdays. Good luck everyone!

The CCAL Girls Soccer team easily defeated Ellicott and Thomas MacLaren by final scores of 10 to 0 and 9 to 0 respectively. The team has a couple of much tougher contests ahead hosting the Lady Anglers “A-Team” this afternoon and Manitou Springs on Friday. Good luck ladies!

An advertisement for EduKit. The background is dark blue with a chalkboard texture. At the top, the words "SAVE" and "NOW" are written in large, white, bold letters. Between them, the words "money", "time", and "stress" are written in a yellow, cursive font. Below this, a shopping cart is shown filled with school supplies like pencils, pens, and a ruler. The cart is being pulled by a green car. To the right of the car, there is a stack of colorful folders. The text "Do your school supply shopping in less time than it takes to get the kids in the car! School Supplies in a Kit— Now that's Smart! > edukitinc.com" is written in white. At the bottom left, the "EduKit" logo is shown with a yellow pencil. At the bottom center, there is a green button with the text "ORDER NOW" in white.

Thank You!

Thank you to our Families and Sponsors that helped the MA East PTO accomplish a great deal over the past school year. We were able to do teacher breakfasts, luncheons, back to school treats, student appreciation signs, tree dedications and the donations of food and items to the teacher lounge.

WE APPRECIATE YOU!
