## East Campus Edition

### July 21, 2021

Dear Monument Academy Community,

I am pleased and honored to be chosen as the Chief Operating Officer of Monument Academy. Staff and parents have been so welcoming, and I appreciate the warm reception. I look forward to meeting you all and working toward a great future for this school. I know the history of Monument Academy is one of academic excellence and I am glad to be part of the story moving forward.

As we prepare for the start of the 2021-22 school year, I am excited to welcome students back into the building. One of the questions we often get is about the COVID regulations that will be in place. Currently, we are planning to start school as close to “normal” as possible. There are 4 more weeks until we start, so the situation can change. As the calendar turns to August, we ask that you be diligent to read any updates that we send from either campus. Also, remember that one of the most effective tools we have is for parents to keep your student home if they show any illness symptoms. We appreciate your cooperation on this.

Our enrollment continues to grow as more families choose Monument Academy. To those new families, welcome to our school. We hope your experience is truly wonderful. At this time, our total enrollment for next year will show an increase from last year of 125+ students. If you have friends or neighbors that might be a great fit for MA, please invite them to sign up for a tour in the coming weeks. We still have a few spaces in most grade levels, but as interest continues to grow, that might not be the case in future years. I want to thank the selection committee and the Monument Academy Board of Directors for the opportunity to work with the students, parents, and staff of this fine school.

Enjoy the rest of Summer,  
Merlin Holmes  
Chief Operating Officer  
Monument Academy

## 6<sup>th</sup> Grade – Camp Shady Brook

**Camp Shady Brook:** September 15-17, 2021

**Cost:** \$185

Every September, Monument Academy takes the 6<sup>th</sup> grade students to an outdoor education camp. This year we are again attending Camp Shady Brook in Deckers, CO. It is a wonderful opportunity for our new middle school students to get to know one another and their teachers and to extend personal limits. Students will work together with team members as they complete activities in high and low ropes courses, canoeing, survival games, rock wall climbing, group initiative challenges, and orienteering. Identifying and practicing Character First is a focus throughout all activities.

Camp Shady Brook is bound to be an unforgettable experience for your sixth grader!

Registration information will be sent out in August.

## Athletics

MA will be starting our open Gym workouts for Football, Boys Soccer and Cross Country this week. Go to the MA Athletics web page to see the days and times.
