

## Sun Protection/Sunscreen Authorization

Because CO receives some of the strongest UV sunlight in the nation, licensing regulations require all preschool students to have sun protection before going outside. I hereby authorize and choose one of the following for my student:

1

I will apply the sunscreen of MY choice on my child's skin **EVERY DAY** before he/she comes to class. I understand that if my child attends school full days, preschool staff will re-apply center-supplied sunscreen to my child at the appropriate time throughout the day.

2

I will dress my child in a wide-brimmed hat and sun-protection clothing labeled UPF 30 or more **EVERY DAY** they come to class.
