

**MathWise**

## **Advanced Math Enrichment Club Part 1 - Grades 6-8**

The class is fun, upbeat, wacky, and it gives students a boost towards higher math skills. Along with the class handouts, there is extensive use of video clips, Power Points, and specialized math software to facilitate acquisition and retention of material.

Advanced Math Enrichment part 1 is the first half of a two-part course designed to provide an advanced math experience for sixth-, seventh-, and eighth-graders. Planned material includes a review of basic integer and algebra concepts, progressing to complex equations/inequalities, the distributive property, positive and negative exponents, multiplying binomials, factoring trinomials, the Pythagorean Theorem, and linear equations. Because of its progressive nature, students should attend part 1 before beginning part 2 in the middle of the year.

Students will be given notebooks at the beginning of each session to use in class.

**Cost: \$140 (for 12 sessions/half the school year)**

**Instructors: Peter & Allison Wise**

**Location: MA, room 312**

**Mondays - 3:30 - 5:00**

**Minimum Class Size - 20 students**

**Maximum Class Size - 35 students**

This club teaches and reinforces core math concepts and number sense along with algebra skills.

Mr. Wise uses step-by-step instruction, explanations of the reasoning behind the math, and tips and tricks to solidify the concepts and make them memorable.

*Once class reaches capacity (35 students)  
no further registrations are accepted.*

## Advanced Math Enrichment Club at Monument Academy

**Who:** Students in grades 6-8 (or by permission).

**Where:** MA, room #312 (Science Room)      **Cost:** \$140

**When:** **12 Sessions:** Monday afternoons, 3:30 - 5:00 pm

Sept. 16, 23, 30    Oct. 7, 14, 28    Nov. 4, 11, 18    Dec. 2, 9, 16

### REGISTRATION FORM

**Student name:** \_\_\_\_\_

Name of Parent/Guardian: \_\_\_\_\_ Cell: \_\_\_\_\_

Email (of Parent/Guardian): \_\_\_\_\_

**Phone Contact Information:** \_\_\_\_\_

Home: \_\_\_\_\_ Work: \_\_\_\_\_
