Middle School Community Events Contract

Middle School Community Events are any events that take place after school hours for the purpose of positive connection between our students. We aim to design each event so that every student feels included and safe. Should a student continually make choices to disregard school policies and therefore violate the safe space created in our school, then he/she is not showing a level of respect and responsibility required for attendance at community events. Your student will be notified if he/she is not able to attend an upcoming event due to their behavioral choices. Students will have the opportunity to attend future events if the pattern is reversed.

By signing this contract:

- I promise to abide by the rules of the school. I will not leave the event area – the Gym, MPR, Library Foyer.
- I agree to follow the Free Dress guidelines within the uniform policy, and I understand that if I choose not to follow these guidelines, I will be asked to call home for a change of clothes.
- I understand that once I have entered the event, I will not be able to leave until my parent arrives to pick me up.
- After the event, students will wait in front of the Gym Entrance doors with the chaperones and will be escorted to their cars.
- All phones are checked in for safe keeping at the door. Any phone use can be done in the check-in area with a teacher chaperone.
- I understand that if I fail to abide by this contract, it will result in a phone call home and dismissal from the event.
