Coding Club

Board Game Club-Students meet to play board and card games emphasizing strategy. They could play Carcassonne, Settlers of Catan, Puerto Rico, Cribbage, Risk, and many more

Stars and Stripes

Latin Help

Math Counts

Philosophy club

Maker Club

Knowledge Bowl

Make-up Tests

Ocean Bowl

Ukulele club

Cyber Patriot club- Students participate in the nation's premier national high school cyber defense competition

Mountain Club

DJ Club- This would be a student-run club in which participants learn to put playlists together for dances, use a turntable, set up lights, plan light shows, use fog machines, and everything else that professional DJs do

Creative Writing Club- Students share and discuss prose, plays and poetry. Come to read; come to recite; come to listen.

RC engineering club- This club is for students wanting to collaborate on radio-controlled engineering projects extending beyond the classroom. Projects range in scope from the very simple to complex.

Sports Clubs- Students play pick-up soccer, ultimate Frisbee, Spike Ball, and have open gym time

Spirit Club- Spirit Club would promote school spirit through athletics. Students put on pep rallies, promote spirit games, teach cheers, and create signs and posters for our athletic teams.
