Look under Prearranged Absence. The Extended Absence Form is now in the Appendices. Discretionary absences of 4 or more days need to be approved by the Principal to be marked as excused absences.

Fridays

Friday is an academic school days like our Monday through Thursday school days. Attendance and assignments need to be completed by due dates and times to receive full credit. Please assist your student in successfully navigating this academic day.

- Sign in for attendance using the attendance app (link) on the iPad. This is NOT found in

Canvas. It is a square app that looks like this or and is found on the iPad screen along with the other apps.

- Check into all 7 classes to complete assignments and pay attention to the due dates and times. Complete and turn in all assignments that have a due date of Friday.
- Check into your teachers' office hours (noted on their Canvas course homepage) for additional help!

NWEA Assessments

Results for students that have completed Fall NWEA MAP Growth assessments have been delivered to D-38 and should be uploaded into the “Reports Center” of Infinite Campus soon. Once delivered, the process for accessing these results can be found at the following link:

http://www.monumentacademy.net/wp-content/uploads/2020/10/NWEAResultsOnline_ParentInstructions.pdf

Please note that the orange bar references a legend that suggests it represents “District Grade Level Mean RIT” results. MA does not have access to district results, so the results that you see are MA average results as we essentially serve as our own “district” for purposes of administering NWEA MAP Growth assessments. Please contact Mr. Venticinque, mventicinque@monumentacademy.net, if you have any questions.

Nurse's Office

The health team at MA is so grateful for all of the parent support and cooperation thus far as we try to abide by the health guidelines/algorithms this school year. We are so encouraged that we have been able to be in school, and we know it is because of the amazing communication and cooperation of our MA families.

Thank You!
