New Athletics Programs

Here at Monument Academy, developing our athletic program beyond middle school has been a top priority this year. We want to be able to give our 8th graders a reason to continue to call MA home. Which is why we are pleased to announce that starting 2022-2023, Monument Academy High School Athletics will be offering Girls Volleyball, Girls Basketball, and Boys Basketball! These programs will be opened to all incoming 9th, 10th, and 11th graders. Be on the lookout for more news about coaches, registration, and uniforms as the 2022-2023 school year inches closer!
