### **I. Issue Statement**

- A. It is the Board's desire to sustain Monument Academy's student enrollment and manage the related capacity issues to ensure top quality academic and individual development opportunities while providing its academic program in a collegial atmosphere of learning. Sustaining a consistent enrollment from year-to-year will enable Administration to manage capacity issues and maintain academic programs at a high level.

### **II. Policy Statement**

- A. MA will refer to our charter agreement for enrollment.
- B. The classroom size goal in grades 1-5 is a maximum of 24 students. By exception, administration may go up to, but not exceed 26 students per classroom.
- C. Based upon factors such as the physical plant, educational trends, optimal learning environments, etc., Monument Academy offers a variety of core and elective classes in grades 6-12. Since these classes may vary in sizes from a few students to many students, i.e., band or chorus, this policy does not restrict the number of students per classroom in grades 6-12.
