

Monument Academy Secondary Campus

A School of Excellence Since 1996

Dear Middle School Monument Academy Families,

As we near the first day of school, the administration team would like to provide some clarity for the upcoming events. Please find information for the upcoming parent town hall, new student meet and greet, and all student orientation.

Parent Town Hall Time Correction – August 9th

The time for the upcoming parent town hall will be **6:00 – 7:30 PM**, I apologize for the confusion that was caused in the previous information update with the incorrect time. This event will provide a great source of information for the upcoming school year, that parents will find pertinent.

Technology Distribution

Attached to this communication, your family will find the following documents: an introduction from the technology team, a tech packet signatures, and the MA tech packet. Make sure you read these documents and have the appropriate signatures for students to turn in on their new student meet and greet day or all student orientation. The goal is to speed up the process for students/families to receive their technology quickly to focus on other aspects of the school year. **Your student will not receive their technology without these forms signed.**

All Student Orientation Format Change – August 16th – Uniform Not Required

We have heard your concerns about the opportunity to meet your teachers before the school year. We have made a format change to our all-student orientation. From 12:00 – 12:50, there will be an open house style format to start the event. Parents will be able to meet the teachers, help their students drop off school supplies, set up lockers, update your information in Infinite Campus, pay fees, purchase spirit wear from PTO, pick up technology, update medical information (if needed), and catch up with friends. At 12:50, we will have all students make their way to their first period class to run through their schedules on their own. Parents may stay in the gym after this time to complete any tasks that they were not able to do in the first fifty minutes. It would be highly recommended to visit classrooms first, as teachers will not be available after 12:50.

As we move forward into the upcoming school year, we want to partner with families to make sure this is a successful school year, if you have any questions or concerns, we ask that you reach out to the school to find your answers.

Monument Academy Secondary Campus

A School of Excellence Since 1996

Events and times:
