

Monument Academy East Campus

A School of Excellence Since 1996

August 26, 2022

Dear Monument Academy Middle School Families,

Early Student Pick Up Procedure Change

As Monument Academy continues to improve our security and safety procedures, there has now been a change to our procedures on how your student needs to be checked out. If you need to pick up your student early for an appointment, illness, or another reason, parents will need to enter the front office, provide an ID that matches a name on Infinite Campus, and sign out the student on the checkout list. It is important that you update your Infinite Campus with contact information of those that might be picking up your student.

Back to School Night

Monument Academy East Campus will be hosting our Back to School Night on September 13th from 6:00 – 8:00 pm. During this time, you will get the opportunity to walk through your student's schedule and gain an understanding of what your student is going to be learning for the upcoming school year. If you have multiple students going through the schedule, you will have to pick and choose which classrooms you would like to visit. Look for further information to come out soon.

Handbook

The East Campus handbook was distributed through email on August 25th and will also be posted on the Monument Academy website under the parent information tab. The administration asks that you review the content in the handbook and return the last page signed by a guardian and student by September 2nd. This page can be turned into the front office or given to your student's first period teacher. This will be the guidelines that the school will be operating by for the 2022-2023 school year.

SAAC Meeting

The School Accountability Advisory Committee (SAAC) is a committee consisting of predominantly MA parents and guardians, faculty, staff, and an MA community member.

The committee is an advisory body only; however, the committee serves an important role by making recommendations to the Monument Academy School Board in the areas of academics, budgets, and safety based on the interpretations of MA Community surveys. The committee advises the
