

# Monument Academy

## East Campus

*A School of Excellence Since 1996*

August 19, 2022

Dear Middle School Monument Academy Families,

We have come to the end of the first week of school, and it has been great to see students in the building again engaging in learning, meeting up with their friends, making new friends, and watching the athletic teams start to enter their athletic season.

We have events coming up soon, and we want to communicate them with.

- August 23<sup>rd</sup> will be school picture day.
- August 26<sup>th</sup> will be our Middle School Back to School Bash. This will be from 1:00-3:00, and the cost will be \$3.00. There will be yard games and music. Also, we will have snacks and sodas for sale.
- August 26<sup>th</sup> PTO's Rocky Mountain Vibes Fundraiser will be held. For every ticket sold, \$5 will be contributed to MA East PTO. The game starts at 6:30. Make sure to stay afterwards for the fireworks show.

There have been some issues with student schedules, and the administration is appreciative of the patience you have shown the team to make sure that schedules are fixed for the students. The administration team is moving as quickly as possible to support students with these changes, and they should be completed by the end of the day on Monday. The opportunity to request a schedule change will conclude on August 26<sup>th</sup>.

Friendly reminders when it comes to pick up and drop off. Make sure that you drive all the way to the front of the line, which is towards the southwest part of the parking lot. This affords us the opportunity to have a greater number of students dropped off at one time. If you are parking your vehicle, you must use the cross walk for safety purposes. We ask when picking up and dropping off your students that you do so in the designated areas. Having students meet at different parts of the building provides a safety risk as there is no supervision of students in these areas.

Once again, we look forward to partnering with you in the upcoming school year. If you need assistance with your student's education, please make sure to reach out to the Monument Academy team.

Respectfully,

Collin Vinchattle
