

Monument Academy East Campus

A School of Excellence Since 1996

September 16, 2022

Dear Monument Academy Middle School Families,

NWEA

On Wednesday, September 21 and Thursday, September 22, the middle school will be completing the NWEA test. The administration asks that you make sure your students are in attendance during these days.

NWEA is the primary assessment used by faculty at Monument Academy to track the growth and development over time of students in grades 3 through 8. Subject areas assessed include math, reading comprehension, language, and science.

Warrior Games

PTO is in the process of planning our annual fundraiser: the Lynx Warrior games. The games are a fun filled event in which all our middle school students compete in three different areas on September 23rd from 8:00 – 12:30. Think of this as a combination of ninja Warrior, Amazing race, and Jeopardy. Please have students wear their peak color, athletic bottoms, and tennis shoes. Other items that will be needed are a water bottle, sunscreen, and a great attitude.

There are various amounts for donations, and we are grateful for anything you can contribute. The first \$2000 goal has been met and looking to hit the next upcoming \$2000 goal. Please click on the following link if you can donate.

We also need parent volunteers to make this event a fun day for our students. Please click on the following link if you can volunteer.

Vision and Hearing Screening

Hearing and vision will be September 30th from 8:00 -12:00. It will be for 7th and 9th grade students, all ESS students, and new students. For this project, there is a need for two volunteers. If you are interested, please reach out to April Janzen ajanzen@monumentacademy.net.

Snacks

If your child needs a snack, please let them know they are welcome to come by Mrs. Howarth's office in the morning to grab one. This information has also been communicated with teachers.

Construction

Starting on September 19th, there will be road construction occurring on Walker Rd. east of the roundabout. The project will be focused on milling and paving Walker Rd. east to Walker Ct. The estimated timeframe for this project is going to be two weeks. This project shouldn't impact entrance to the school from Highway 83, but we wanted to make sure this information was communicated.

Respectfully,

Collin Vinchattle
