

Monument Academy East Campus

A School of Excellence Since 1996

September 27, 2022

Dear Monument Academy Middle School Families,

Warrior Games/Pajama Day

Monument Academy wants to give a big shout out to PTO and all the parents that donated their funds and time to the Warrior games! The PTO met their goal of fundraising over \$8,000 dollars and providing a great time for our students. For every \$2,000 raised, a special incentive was earned for the students with a spirit day, free dress day, pajama day, and an ice cream social. On **Monday, October 3rd** Monument Academy students will be able to wear their **pajamas to school**. Pajamas still apply to the dress code. Once again, thank you for all your support!

Canvas Parent Night

If the Canvas platform is new to you or you just need a refresher, Monument Academy will be hosting a parent information night for you on October 6 from 5:30 to 6:30 pm. This night will help you understand how to navigate the program and the different tools that are used by the teachers. More information to come!

October Count

The Student October Count is based on a one (1) day membership count in which districts are asked to report all students who are actively enrolled and attending classes through their district on that date. While the submission should only include those students who meet the membership and scheduling requirements as of the pupil enrollment count day, the actual submission process begins in September and closes mid-November. (Colorado Department of Education Website)

October Count Day for this school year is on October 3rd, and we please ask that you make sure your students are in attendance on this day.

Athletics

Congratulations to the fall athletic teams at Monument Academy who have shown excellence in their athletic competitions. The football team will be playing in the CCAL Championship game as they finished the season undefeated. The girls' volleyball team finished the season undefeated with a record of 11-0

Each block of time will be scheduled for 15 minutes, and signups will be sent out next week. This is a great opportunity for you to understand how your student has been progressing through the school year so far.

Vision and Hearing Screening

Hearing and vision will be September 30th from 8:00 -12:00 for 7th and 9th grade students, all ESS students, and new students. For this project, there is a need for two volunteers. If you are interested, please reach out to April Janzen ajanzen@monumentacademy.net.
