

**LEWIS-PALMER SCHOOL DISTRICT 38  
AND  
MONUMENT ACADEMY  
JOINT RESOLUTION**

(Regarding MLO Sharing With Monument Academy)

**WHEREAS**, the Lewis-Palmer School District 38 (the "District") is a "Participating school district" as defined in C.R.S. §22-32-108.5(2)(f); and

**WHEREAS**, Monument Academy ("MA") has been a District authorized charter school since January 25, 1996; and

**WHEREAS**, as a result of H.B. 17-1375, the District adopted a resolution on June 18, 2018 to share with MA 95 percent of Additional Mill Levy Revenue as related to the 1999 MLO; and

**WHEREAS**, the District intends to ask the voters on November 8, 2022 for the imposition of a property tax not to exceed 7.45 mills annually for the purpose of increasing compensation for teachers and non-administrative staff throughout the District, including MA (the "2022 MLO"); and

**WHEREAS**, MA's student population represents nearly 20% of the District's total enrollment; and

**WHEREAS**, MA's support for the 2022 MLO is critical to its successful passage.

**NOW, THEREFORE, BE IT RESOLVED, THAT:**

1. The District will in perpetuity share 100 percent of the Additional Mill Levy Revenue as defined in C.R.S. §22-32-108.5(2)(a) (as related to the 2022 MLO) with MA on a proportionate basis (based on MA's funded pupil count), regardless of whether the enrolled MA student resides within the geographical boundary of the District.

2. The District will agree in advance to MA's proposed use of 2022 MLO funds so long as the use fully complies with the approved ballot language. The District will not require MA to submit to any other usage audits or reporting requirements not otherwise required by Colorado law.

3. MA will have proportionate representation, determined by its student count in relationship to the District's total enrollment, on the Citizens' Financial Advisory Committee, as described in the 2022 MLO Ballot Language.

4. Upon ratification of this joint resolution by the District Board of Education, The MA Board of Directors will publicly support the 2022 MLO.

Adopted this 17 day of October 2022
