October 18, 2022

Dear Monument Academy Middle School Families,

MA Experience Night

Monument Academy will be hosting an Experience Monument Academy High School Night with the theme for this event being "Let's Taco 'Bout High School." This event will be happening on Thursday, October 27, starting at 6:00 pm. This event is for current 7th and 8th grade families to learn about the high school programs being offered and what to expect for the 2023/2024 school year.

There is a flyer attached to this email that provides information on how to RSVP for the event. You can RSVP by QR code or you can email events@monumentacademy.net. Please RSVP by October 24th; we hope to see you there!

Watch D.O.G.S.

With the great success that the Monument Academy Elementary has had with the Watch D.O.G.S. program, the East Campus is starting up the Watch D.O.G.S. program. The East Campus is looking for Lead Dogs that want to contribute to getting this program off the ground. If you are interested there will be a meeting held on October 26 @ 5:00 pm, and pizza will be provided. If you are interested, please email Collin Vinchattle, cvinchattle@monumentacademy.net, by October 25th @ 12:00 pm.

Watch D.O.G.S. programs provide positive male role models for the students, demonstrating by their presence that education is important. The program provides extra sets of eyes and ears to enhance school security, reduce bullying, and provide a greater sense of campus safety allowing students and teachers to focus on learning and instruction.

Attention 6th Grade Parents/Guardians:

During the first week of November, your student will be given The Cognitive Abilities Test (CogAT) screener. CogAT is used to help fulfill a state requirement to screen for students who may qualify for Advanced Learning Plans (ALPs). CogAT is an achievement assessment that measures a student's learned reasoning and problem-solving abilities in verbal, quantitative, and nonverbal reasoning cognitive domains.
