

Highlights from January 3rd, 2023 Board of Directors' Special Meeting

Board Take Steps to fulfill CFO duties

After discussions in executive session, the board authorized Ryan Graham, Board President, to proceed with the execution of a contract with Glenn Gustafson as a financial consultant supporting the administration and governing board. Mr. Gustafson has extensive experience working with school districts in a financial role and will be a great partner for Monument Academy moving forward. The board also approved a financial manager job description.

Give Hope: Introduction of the MA Annual Campaign and Lynx Fund

The MA Board of Directors presented information on our current financial situation and why we as a school community must come together to help meet annual fundraising goals. Watch the replay of that event here: [2022 12 01 MA Special Meeting - Give Hope - YouTube](#). This year's fundraising goal is \$500,000. To reach that, we are asking each of our 750 households to give a minimum of \$675. You also have the option to be a Lynx Legacy donor when you give at least \$1996 (the school was founded in 1996) within the fiscal school year and be honored on our Lynx Legacy plaques that will be displayed at each campus. There are multiple ways to provide your donations (recurring monthly payments, one-time) and we also encourage everyone to check and see if their employers provide matching donations. All donations are tax deductible. The money raised through our annual campaign will be used to help the school in many ways such as teacher pay, curriculum updates, programs, building improvements, Phase II and more! You can donate now by clicking here:

A blue poster with a torn paper edge effect. At the top left is the Monument Academy logo. The main title is "LYNX FUND ANNUAL CAMPAIGN" in white. Below the title is a QR code with the Monument Academy logo in the center. Surrounding the QR code are the words "STUDENTS", "TEACHERS", "ATHLETICS", "CURRICULUM", "SCHOOL SAFETY", and "PHASE II" in yellow, slanted text. Below the QR code is a black button with a white smartphone icon and the text "SCAN ME". At the bottom, there is a paragraph of text and an email address.
