

Monument Academy East Campus

A School of Excellence Since 1996

January 25, 2023

Dear Monument Academy Middle School Families,

Even though we have just started the second semester, this is an important time for the administration team to start planning for the upcoming school year. Right now, we have our staff starting the process of designing and updating the course offerings for the 2023/2024 school year. We have heard your thoughts on diversifying our elective offerings and are looking at ways to improve the options for our students. Students will then select their top choices for courses at the end of February, which gives us the data we need to create our master schedule. We are excited to start planning this process.

Carline

Here are some reminders of the protocols of the parking lot and carline. The intent of these protocols is to create a seamless pickup/drop off process and to create a safe environment for our community in the parking lot. As always, Monument Academy asks for your patience as we want to accomplish getting five hundred plus people into our building safely.

If you are not using the carline and instead are utilizing the parking lot, we ask that you park your vehicle in a designated parking spot to have your student unload their items out the vehicle. Do not stop in the parking lot lane to drop off your student. This creates a dangerous situation for students.

When you are in the loading zone to drop off or pick up students, it is asked that you pull forward to the end of the sidewalk when your vehicle is facing south. This provides the opportunity for as many vehicles as possible to load/unload students at one time. If this process is initiated early, a chain reaction is created of cars stopping to drop off their students creating more rotations of this action.

If you or your student is walking in from the parking lot into the building, the crosswalk is needed to be utilized to get to the school. When the crosswalk is not used, this causes a safety issue of being seen by the vehicles.

Watch D.O.G.S.

It was a wonderful night hosted by the Watch D.O.G.S. to launch the program on January 10th. During the event, the team took steps to have dads sign up to volunteer on a day in February. If you are interested in volunteering or if you have any questions, please send an email to WatchDogsParents@monumentacademy.net the official Watch D.O.G.S. email account.

PTO Community Fundraiser Night

On Thursday, January 26th the EAST PTO will be hosting a PTO Community Fundraiser Night at Kneaders Bakery and Café, (13482 Bass Pro Dr., COS 80921) from 5:00 – 8:00 pm. We look forward to seeing you there.

Respectfully,

Collin Vinchattle
