School Spotlight

Michael Geers was honored for the time and service he provided to the school as a member of the Board of Directors. As a board, we are sincerely grateful for Mr. Geers volunteering his time and bringing his expertise and passion to MA for the last 9 months. His term ends on June 30th, 2023.

Highway 105 and Carline Construction Update

Mr. Graham reported that construction is underway behind West Campus and soil stabilization should be completed in the next week. Once that is completed, the next phases will include laying electrical conduit, placing stormwater infrastructure, removing, and replacing the trees on the west side of the field, and building the block wall along the east side slope.

If you are driving through the school lot, please be mindful of the construction equipment if it is having to travel in the opposite direction of our typical car-line flow.
