Middle School

February is here and it always amazes us how quickly the school year moves once we get to this point. Here is some information on some upcoming events that will impact your student's school experience in the near, end of year, and the following school year.

Save the Date

A date has been reserved for the 8th grade continuation ceremony! Please save the date for **May 21, 2024** At 6:00 pm this year the ceremony will be held at Lewis Palmer High School. The Monument Academy staff is excited to celebrate this stop in the road for our 8th grade students educational journey. Be on the lookout for further information down the road on the ceremony and the activities leading up to the event.

Winter Formal

The administration team appreciates the understanding about postponement of the Winter Formal Dance. The new date for the dance will be held on February 10th at 6:30. If you are bringing a guest to the dance from another school, the guest dance contract must be turned in by February 7th, remember that the visiting student's school principal must sign the contract. It will be exciting to see all the students dressed up for a good time.

Schedule Registration

Be prepared for schedule registration forms to come home in the last week of February. This is an opportunity for you and your student to go through the classes that they would like to take for the 24/25 school year. This does not guarantee that the students will have these classes, but is a map for when students register for classes on Infinite Campus at the end of the month.

Respectfully,

Collin Vinchattle and Angela Duca
