High School

Elementary-

We extend our deepest gratitude to all parents who contributed to making Teacher / Staff Appreciation Week a success. Your thoughtful gestures, notes, and tokens of appreciation made our teachers and staff feel valued and cherished. Your support truly reinforces the strong bond between our school community and the dedicated educators shaping the future of our children.

Letter from Mr. Walker & Mrs. Sadlon

Middle School-

March is here and we are entering a very busy time of the school year, with only three weeks left until Spring Break. Be on the lookout for communication coming out on testing, field trips, and end of the school year events. It sounds crazy to be talking about these items, but it will be here before we know it.

Letter from Mr. Vinchattle & Mrs. Duca

High School-

Two MAHS students were accepted into the ***Colorado School of Mines***, where over 50,000 applicants seek admission each year. We have our first finalist for the ***Daniels Fund***, a prestigious scholarship that covers a university's full cost of attendance. Additionally, one of our seniors recently interviewed with the ***Massachusetts Institute of Technology*** (MIT).
