

As we approach the final stretch of the school year, we wanted to take a moment to express our gratitude for your continued support and involvement in our school community. It has been a wonderful journey filled with growth, learning, and cherished memories for our students, faculty, and staff alike.

As we gear up for the month of May, we would like to highlight a few key events and initiatives that will help us finish the school year on a strong note:

1. **NWEA Testing:** Our students will be participating in NWEA testing. This assessment provides valuable insights into your child's academic progress and helps us tailor our instruction to meet their individual needs. We encourage you to talk to your child about the importance of these assessments.
2. **Field Day:** One of the highlights of the end-of-year festivities is our upcoming grade level Field Day. This fun-filled event promotes teamwork, sportsmanship, and physical activity while fostering a sense of camaraderie among our students. Be on the lookout for more information and detailed schedules for your child's grade level as we approach the event dates.
3. **Kindergarten Graduation and Last Day of School:** We are excited to announce that our Kindergarten graduation ceremony will take place on May 17th. This special occasion marks the culmination of a significant milestone in your child's educational journey. For our Kindergarten students, May 17th will also serve as their last day of school.

For students in 1st through 5th grades, the last day of school will be on May 22nd. Please note that May 22nd will be a half day of school, with pick up at 12:15 PM. We encourage you to make arrangements accordingly.

4. Continued Engagement: As we navigate the final weeks of the school year, we urge you to continue your active involvement in your child's education. Whether it's checking in on their progress, attending school events, or simply offering words of encouragement, your support plays a vital role in their academic success.

As always, our dedicated team of educators remains committed to providing a nurturing and stimulating learning environment where every child can thrive. Together, let's work towards finishing the school year with enthusiasm, determination, and a sense of accomplishment.

Thank you for entrusting us with the education and well-being of your child. If you have any questions or concerns, please don't hesitate to reach out to us.

Warm regards,

Kurt Walker  
Principal

Laura Sadlon  
Assistant Principal
