5. Inpatient care in a medical care facility and any resulting period of incapability and continuing treatment; or

Forces) and that manifested itself before or after the member became a veteran.

XIII. Procedures for FMLA Leave

- A. Supplemental necessity for leave is foreseeable, an employee must request the leave in writing at least 30 days in advance. In any case, notice is required as soon as practicable. If the leave is foreseeable based on a planned medical need, an employee must make a reasonable effort to schedule treatment so as not to unduly disrupt job performance and must follow the procedures for planned absences.
- B. A form will be given to verify qualifying reasons for the leave, and the anticipated timing and duration of the leave. Any request for leave based on a serious health condition, whether it involves the employee or a family member, must be made in a timely manner and supported by appropriate medical certification. Documentation and verification confirming family relationships, adoption, or foster care may also be required.
- C. If the leave stems from an employee's health condition, the medical certificate must specify that the employee is unable to perform the functions of his or her job and must state the duration of such a work restriction. For a leave stemming from the health condition of a family member, the medical statement must specify that the employee is needed to care for the family member. In all cases of leave for a serious health condition, MA reserves the right to request a second medical opinion at MA's discretion and expense.

XIV. Length of FMLA Leave

- A. Each eligible employee may be granted an unpaid FMLA leave period of up to 12 work weeks during a 12-month period. MA uses a "rolling" 12-month period measured backward from the date an employee commences the FMLA leave.
- B. Employees must use all paid or unpaid leave, other than sick leave, to which they are otherwise entitled, when taking leave for any of the reasons allowed under FMLA as stated above. Unused sick leave, if applicable, must be used as part of FMLA leave for the serious health condition of the employee or the employee's spouse, child, or parent. Use of such paid or unpaid time off reduces the eligibility period for FMLA leave on a day-for-day basis.

XV. Intermittent FMLA Leave

- A. Leave may be taken intermittently or on a reduced leave schedule under the following circumstances:
 - 1. For the birth of a child or for placement of an adopted or foster care child, provided MA agrees.
 - 2. When medically necessary for treatment of, or recovery from, a serious health condition.
 - 3. To provide care or comfort to an immediate family member with a serious health condition.
 - 4. For periodic treatment of a serious health condition.
- B. Employees must make reasonable efforts to schedule intermittent leave for planned medical treatment so as not to unduly disrupt student instructional time.
- C. Employees may be required to transfer during the period of intermittent or reduced leave to a position equivalent in pay and benefits, which better accommodates recurring periods of leave. Upon conclusion of the need for intermittent or reduced hour leave, employees

will be returned to their original positions or a position equivalent in pay, benefits and other terms and conditions of employment.

XVI. Benefits During FMLA Leave

- A. An employee on leave of absence under FMLA or Parental Leave will be retained on MA's medical and dental insurance plan for the duration of the leave. The employee must make arrangements with the administration for payment of spouse/domestic partner/dependent premiums, if applicable.
- B. In the event that an employee fails to return from FMLA leave, the employee will be liable for the premiums paid by the employer to maintain insurance coverage unless:
 - 1. The employee's failure to return to work stems from the continuation, recurrence, or onset of a serious health condition of the employee or a family member.
 - 2. The failure to return stems from circumstances beyond the control of the employee.
- C. Return from FMLA Leave
 - 3. When an employee returns to work, he/she will be restored to his/her position or an equivalent one, subject to the provisions of the Family and Medical Leave Act. An equivalent position is one with the same pay grade, benefits, work schedule, proximate geographic location, and other terms and conditions of employment. This does not apply if the employee's employment would have otherwise been terminated had he/she not taken family/medical leave, such as lay off or disciplinary termination.
- D. Jury Duty – a leave of absence for jury duty.
 - 1. Employees who are called to serve on a jury will be paid in full for the first three days of jury duty. After the three days, Monument Academy will no longer pay the employee's daily rate. However, jury duty compensation may be available from the court office.
 - 2. Employees who are required to serve for more than five working days may take time off, without pay, or use accrued personal leave time, for the balance of the time. Upon completion of jury duty, a Verification of Attendance Form must be presented to Monument Academy. Employees who are excused from jury duty for the day, or are excused early, should report to work when it is practical to do so.
 - 3. If an employee is called to serve on jury duty at a time that would unreasonably interfere with normal educational and business operations, the employee may request a one-time postponement of jury duty. Please consult local laws regarding the rules and processes of jury duty postponement.
 - 4. Employees will be required to use ReadySub to request jury duty leave. Please refer to ReadySub instructions for further information. Employees must also submit time-off requests for jury duty in SDS.
- E. Military – a leave of absence for required military service. Monument Academy complies with applicable state and federal law concerning leaves for military service.
- F. Worker's Compensation – a leave of absence for a work-related illness or injury
- G. Use of Short-Term Disability
 - 1. The short-term disability benefit provided by Monument Academy is an employer-funded plan providing income replacement for employees unable to work due to illness, pregnancy, or injury.

- a) Eligibility
- b) A regular, full-time employee who is unable to work due to illness, pregnancy or injury is eligible. An employee receiving workers' compensation or disability pay under any state or federal plan is ineligible for this benefit. To be eligible for continued disability benefits, the employee must not engage in outside employment and is expected to avoid activities that may delay recovery and return to work.

H. Medical Certification

- 1. The employee must provide medical certification of the disability that includes the start and expected end date of the disability. This certification must be submitted to the office manager.

XVII. Paid Leave Provisions

- A. The following general provisions apply to all leaves of absence and paid time off except paid sick leave.
 1. All requests must be submitted electronically to ReadySub.
 2. Ideally, requests are submitted 1 week or more prior to requested leave.
 3. Requests must also be submitted to SDS.
 4. Teachers are required to submit lesson plans for all leaves of absence and/or paid leave.
 5. Teachers shall maintain 2 days of unused emergency lesson plans in the Monument Academy Office. These emergency plans are to be used only in emergency situations where the teacher is unable to prepare a more current lesson plan reflective of units being studied.
 6. Any request for an extension of a medically related leave of absence must be made in writing prior to the expiration date of the original request, and when appropriate, must be accompanied by a physician's written statement that certifies the need for the extension.
 7. Failure to return to work on the first day following the expiration of an approved leave of absence may be considered a voluntary resignation.
 8. Coverage under the school's group insurance plans will be continued on the following basis:
 - a) Employee's insurance will continue during the remainder of the month that leave begins; after this time insurance coverage will be available to non-employees on a COBRA basis.
 - b) Employees must make arrangements with Monument Academy to pre-pay their share of group insurance premiums before going on a leave of absence.
 - c) Employees will not accrue length of continuous service for the portion of a leave of absence in excess of 30 days.
 - d) Employees on leave of absence will be subject to lay off on the same basis as employees who are actively at work.
 - e) Employees on leave of absence must communicate with Monument Academy on a regular basis, at least once each month, regarding their status and anticipated return to work date.
 9. Employees on leave of absence who seek or accept other employment without Monument Academy's prior written approval will be subject to disciplinary action up to and including termination.
 10. Employees who falsify the reason for their leave of absence will be subject to disciplinary action up to and including termination.
 11. All school holidays and breaks are reflected annually on the school calendar.

XVIII. Group Insurance Plans

The Governing Board will determine the school contribution each year and it is subject to change year to year. All eligible employees who decline health coverage may be required to provide proof of insurance from another carrier or a signed waiver.

entire wage differential:

1. The school's seniority system.
2. The school's merit system.
3. The school's system that measures earnings by quantity or quality of production.
4. The geographic location where the work is performed.
5. Education, training, or experience to the extent that they are reasonably related to the work in question; or
6. Travel, if the travel is a regular and necessary condition of the work performed

XIV. Wage History and Disclosure of Pay Rate

The school will not discriminate or retaliate against prospective employees for failing to disclose their wage history. The school will not discharge, discipline, discriminate against, coerce, intimidate, threaten, or interfere with an employee or other person because the employee or person inquired about, disclosed, compared, or otherwise discussed the employee's pay rate.

XV. Job Postings

- C. The school may ultimately pay more or less than the posted range, so long as the posted range was the school's good-faith and reasonable estimate of the range of possible compensation at the time of the posting.

XVI. Job Opportunities

- A. The school will make reasonable efforts to announce, post or otherwise make known, in writing, any job opportunities to all current employees (even if they aren't eligible or qualified) on the same calendar day and prior to making a decision. Applications may only be open to employees who meet the minimum qualifications.
- B. A "job opportunity" means a current or anticipated vacancy for which the school is considering a candidate or candidates or interviewing a candidate or candidates or that the school externally posts, except it does not include "career development" or "career progression." - C. "Career development" means a change to an employee's terms of compensation, benefits, full-time/part-time status, duties, or access to further advancement in order to update the employee's job title or compensate the employee to reflect the work performed or contributions already made by the employee. "Career progression" means a regular or automatic movement from one position to another based on time in a specific role or other objective metrics.

- E. Employees (A) can access within their regular workplace, either online or in hard copy, and (B) are told where to find required postings or announcements. If a particular method reaches some but not all employees, such as an online posting not accessible to those lacking internet access, an alternative method must be used for such employees.
- F. The promotional opportunities posting requirement will be subject to the following exceptions (which are subject to change as new rulemaking from the CDLE takes effect):
- G. A job opportunity need not be posted to all employees if the school has a compelling need to keep a particular opening confidential because the position is still held by an incumbent employee who, for reasons other than avoiding job posting requirements, the School has not yet made aware they will be separated. However, if any employees are told of the opportunity, all other employees must be told who either
 - 1. meet the minimum qualifications or
 - 2. have a job "substantially similar" to any employees being told of the opportunity. If the need for confidentiality ends before any deadline to apply for the job, the school will then promptly comply with typical posting requirements.
- H. No immediate job posting is required to fill a position on a temporary basis (i.e. "acting" or "interim" positions) for up to six months where the hiring is not expected to be permanent. If the hire may become permanent, the required posting must be made in time for employees to apply for the permanent position.

- B. For positions with career progression, the school will disclose and make available to all eligible employees the requirements for career progression, in addition to each position's terms of compensation, benefits, full-time or part-time status, duties, and access to further advancement.
- C. Nothing in this policy will be construed to require a violation of a selected candidate's privacy rights under applicable local, state, or federal law or in a manner that would place the candidate's safety at risk.
